K. OLD BUSINESS

1. Update Regarding Venetian Parc Public School

Ms. Nguyen explained that she believes that the County has done everything that they are willing to do at this time to assist the District with the illegal parking, speeding, vandalism, and traffic that is being

caused by the public school located on the southeast corner of SW 157th Avenue and SW 174th Street. Ms. Nguyen stated that she would continue requesting the County's assistance and will report any updates to the Board at a future meeting.

2. Update Regarding Final Lift of Asphalt (Venetian Parc Area Two – Luxcom)

Ms. Nguyen explained that at the final lift of asphalt has been completed by Downrite. Ms. Nguyen further explained that as a result of the additional road height created by the final lift, there is puddling on the driveway approach of a home located on SW 175th Street, west of the triangular park. Surveys of the road have been conducted and the slope and elevation of the roads are in order; therefore, the driveway approach needs to be corrected. Ms. Nguyen stated that Alvarez Engineers will be requesting a change order from Downrite to harmonize the driveway approach.

3. Discussion Regarding Tree Root Pruning/Tree Relocation

NOTE: This item was discussed prior to J.1.

Ms. Nguyen explained that the District engaged Turf Management, Inc. to have their certified arborists prepare an arborist report analyzing the trees and root systems of the trees in the swales throughout the townhomes sections of the District; and the palm trees throughout the District. Ms. Nguyen introduced Messrs. Waddell and Toledo of Turf Management, Inc. Mr. Waddell, a certified arborist, explained that he conducted an inspections of the trees in the townhomes sections of the District and concluded that there are 30 Gumbo Limbo trees and 19 Green Buttonwood trees posing a high level of risk. The risks include trip and fall hazards, damage to sidewalks, driveways, street and underground utilities. Mr. Waddell further explained that due to the restricted planting area for these trees (planted site averages 18 sq. ft. and the minimum recommended space for Gumbo Limbo and Green Buttonwood average 100-200 sq. ft. and 100 sq. ft., respectively). Mr. Waddell recommends that these trees be removed. Mr. Waddell stated that the palms trees are in better conditions since the District began a fertilization program and he only noted one palm tree that requires removal. The Board discussed the process of removal and relocation of the trees with Messrs. Waddell and Toledo. The Board requested that Ms. Nguyen inquire with the County if there is an assistance program that the District may utilize to facilitate the removal and relocation of these trees due to the number of trees. Ms. Nguyen acknowledged the Board's request.

Ms. Nguyen stated that there are trip hazards in the townhomes section of the District that have been caused due to these trees and must be addressed. Ms. Nguyen presented two (2) proposals, which included the following items:

- Removal and resetting of 46 existing driveway pavers (approximately 2,070 sq. ft.)
- Tree root grinding/pruning of 55 trees
- Replacement of 42 4" broken/cracked concrete sidewalk slabs

GenCon Partners, Inc. \$26,880 Southern Asphalt Engineering, Inc. \$24,562.50

A discussion ensued, after which:

A **motion** was made by Mr. Heinrich, seconded by Ms. Hernandez and unanimously passed accepting the proposal received from GenCon Partners, Inc. in the amounts of \$26,880 for the complete scope of work outlined above; and further authorizing District Counsel to create a small project agreement.

Ms. Nguyen stated that an inspection of all the other sidewalks in the District was conducted. She stated that there are 239 trip hazards that must be milled at this time (47 locations in the townhomes section, 178 location on District owned sidewalks, 14 location on County owned sidewalks).

Ms. Nguyen presented the following proposals for the Board's review:

- Raptor Vac-Systems, Inc. \$17,925 (townhomes \$3,525, District \$13,350, and County \$1,050)
- Headley Construction Group, Inc. \$23,661

A discussion ensued, after which:

A **motion** was made by Mr. Collings-Bonfill, seconded by Ms. Hernandez and unanimously passed accepting the three (3) proposals received from Raptor Vac-Systems, Inc. in the amounts of \$3,525, \$13,350 and \$1,050, for a total amount of \$17,925 for the complete scope of work outlined above; and further authorizing District Counsel to create a small project agreement.

4. Discussion Regarding Dead Royal Palms

NOTE: This item was discussed during item K.3.

5. Discussion Regarding Surveillance System at the Park

Ms. Nguyen stated that this item was added at the request of a resident of the District. Ms. Nguyen explained that she has received several complaints of vandalism and graffiti at the park from this resident. She further explained that the vandalism and graffiti is being better controlled now that the District has contracted porter and graffiti removal services. Ms. Nguyen stated that the resident is requesting that surveillance cameras be installed at the park. The Board discussed the liabilities that surveillance cameras would pose for the District and chose not to proceed with the installation of surveillance cameras.

Mr. Ronald Fajardo, a resident of the District and President of the Venetian Parc Homeowners Association, Inc. (the "Association"), stated that he would speak with the Association's security company to check if they have any ideas on how to prevent the vandalism.

L. NEW BUSINESS

1. Consider Resolution No. 2022-01 – Adopting a Fiscal Year 2022/2023 Proposed Budget

Ms. Nguyen presented Resolution No. 2022-01, entitled:

RESOLUTION NO. 2022-01

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE VENETIAN PARC COMMUNITY DEVELOPMENT DISTRICT APPROVING A PROPOSED BUDGET AND NON-AD VALOREM SPECIAL ASSESSMENTS FOR FISCAL YEAR 2022/2023; AND PROVIDING AN EFFECTIVE DATE.

Ms. Nguyen provided an explanation for the document and provided two (2) Proposed Budget scenarios. Scenario A keeps the budget the same as the current fiscal year. Ms. Nguyen explained that due to prior discussions during today's meeting, it is anticipated that the District will have an increase in expenses in the upcoming years, as such, Scenario B reflects increases to certain budget lines to compensate for such expenses. Ms. Nguyen advised that if the overall proposed assessments were increasing in the fiscal year 2022/2023, letters to the residents would be required. Furthermore, Ms. Nguyen stated as part of Resolution No. 2022-01, the Board must set a date for the public hearing to adopt the fiscal year 2020/2021 final budget and assessment roll. A discussion ensued, after which:

A **motion** was made by Mr. Collings-Bonfill, seconded by Mr. Heinrich and unanimously passed to approve and adopt Resolution No. 2022-01 with Scenario B, as amended (increasing assessments by \$100 per unit, adding a \$10,000 budget line for Security, and adding the remainder of the increase to Tree Upkeep), setting the public hearing to adopt the fiscal year 2022/2023 final budget and assessments for July 28, 2022, at 6:00 p.m. in the Venetian Parc Community Clubhouse Meeting Room located at 15351 SW 157th Street, Miami, Florida 33187; and further authorizes publication/notice of the budget public hearing, as required by law.

2. Discussion Regarding Water Line Damage (Venetian Parc Area One – Townhome)

Ms. Nguyen stated that this item was added at the request of a homeowner. Ms. Nguyen advised that the homeowner whose main water line was broken due to the tree roots in the Lennar townhomes section was asked to contact Miami-Dade Water and Sewer Department and submit an Underground/Concealed Leak Adjustment Request for the \$12,000 water bill he received. Ms. Nguyen added that she has not received any additional information from this homeowner after February 23rd. Ms. Nguyen will provide updates to the Board regarding this matter as she receives them.

3. Discussion Regarding Missing Palm Trees and Hedges (SW 152nd Avenue between SW 176th Lane and SW 177th Terrace)

Ms. Nguyen stated that this item was added at the request of a homeowner in the area of SW 152nd Avenue between SW 176th Lane and SW 177th Terrace. Ms. Nguyen explained that the homeowner informed her that Luxcom had their advertisement signs on the grass tract in front of her house and was always told by Luxcom that they would be planting the palm trees and hedges on this tract once construction has been completed and Luxcom removes their signs. At this time Luxcom has completed construction and removed their signs, but they did not plant the palm trees and shrubs as indicated on the Master Landscape Plans. The homeowner is requesting that the District plant these palms trees and hedges. The Board discussed the lack of available funds at this time for this type of request and requested that this item be brought back for discussion during a future meeting.

4. ADD-ON: Sidewalk Milling

NOTE: This item was discussed during item K.3.
